Work smarter by letting your tractor work harder.

The new and improved SA325 is the ideal sub-compact tractor choice for versatility and flexibility. Use more implements and accessories than ever before, with the comfort of an operators platform that was designed with you in mind. Every instrument and control is at your fingertips, so you can enjoy the power and precision of Yanmars famously reliable three-cylinder, liquid-cooled diesel engine and our unique combination of horsepower and fuel efficiency.

NEW! Standard dual rear remote valve and 12V outlet so you can enjoy the use of more accessories than ever, including those using hydraulic power.
