When the going gets rough, the new SA425 is still a smooth ride.

With the highest ground clearance and added weight of cast iron rear axle housings, the SA425 provides stability under even the toughest conditions, with the comfort of an operators platform that was designed with you in mind. Every instrument and control is at your fingertips, so you can enjoy the power and precision of Yanmars famously reliable three-cylinder, liquid-cooled diesel engine and our unique combination of horsepower and fuel efficiency.
