Weve solved the age-old problem of putting more hours in your day with the all-new SA223.

This next-level model of our popular SA series gets more done than ever before, whether youre working with heavy loads or on difficult terrain. The SA223 is packed with performance upgrades like dual-range speeds, standard differential lock, and 3-point hitch position control. Powered by our legendary 3-cylinder, liquid-cooled diesel engine, Yanmars SA223 always shows up ready to work--so you can get back to doing what you love.

NEW! Dual range speeds, standard differential lock, and true position control on the 3-point lift system for maximum precision and power.
